Letter from our CEO

Cloch is the oldest housing association in Inverclyde, we turned 55 in January 2023. We have a proud and successful history based on our charitable foundations and have a set of business objectives focused on improving access to affordable, quality homes, making a positive contribution to people's lives, and delivering excellence in all that we do.

With over 1400 customers including tenants and factored owners, a turnover in excess of £6m and 37 staff, Cloch has many stakeholders, including the Scottish Government, Scottish Housing Regulator and OSCR. It is therefore crucial that the organisation is well engaged, financially sound and well-governed.

This is where you may come in.

Cloch is governed by a voluntary Board of Management consisting of tenants, owners and others who have an interest in the strategic management and governance of the Association. We currently have one vacancy and are seeking applications from interested parties. This role could be perfect for a tenant or local resident; someone looking to learn more and improve their own skills and knowledge, or someone with certain skills, knowledge, and experience who is keen to put that to some use in a voluntary capacity. We are particularly keen to hear from anyone with social media or financial management skills.

Training and Development will be offered as part of this voluntary role to ensure members have the appropriate level of skills, knowledge, and experience.

If you are interested, please contact our Corporate Services Team on 01475 783637.

Company Information

Cloch Housing Association is a registered social landlord operating in Inverclyde, Scotland. In 2018, the Association celebrated its 50th year in operation having been originally formed on the 16th January 1968 as a charitable non-profit making organisation under the name of Christian Action (Greenock) Housing Association Ltd. The focus of the Association back then was –

To provide suitable and affordable housing for rent to stem the flow of young families leaving the area.

More than 50 years on, we are still a social housing landlord, but have widened our activity and the scope of who we house and where we operate. Currently owning just under 1400 units in Greenock, Port Glasgow, and Inverkip, Cloch also provides factoring services to owners in the area. With a focus on communities and people, the Association prides itself on achieving high customer standards alongside a range of housing and community services.

Current Work

Cloch have been involved in a range of activities in recent years, with our FACE Project being high on the agenda – which is a **F**ocus on **A**chieving **C**ustomer **E**xcellence. In 2018, the Association were awarded the Customer Service Excellence Accreditation, alongside awards in Healthy Working Lives and Investors in Young People. Since 2019, one of our key areas of work is Young People. We are committed to engaging with young people in our community, whether that is through our Modern Apprenticeship Scheme directly with Cloch, or with our contractors, or working with schools through learning sessions or work placements. In 2021 we gained independence from our parent Oak Tree Housing Association. However, we continue to share Finance and IT services with Oak Tree Housing Association where efficiencies are delivered by working together (eg our Finance and IT teams work for both organisations).

Factoring

Another arm of the business is Factoring. We factor and offer landscape maintenance services to over 400 properties; mainly in closes where we already own

flats. This service includes a responsive repairs service for common repairs and a common Building Insurance Policy offering huge discounts to owners.

Our Stock

Cloch's stock situated in East Greenock, Port Glasgow and Inverkip village.

Our stock caters mainly for general needs housing from single person accommodation to larger family homes, however, we also have Houses of Multiple Occupation and a sheltered housing complex.

Some of our stock is renovated victorian tenements and some is newer build from the 1990's and 00's. The Planned Maintenance Programme is currently renewing kitchens, bathrooms and boilers.

The Reactive Maintenance Contract is with James Frew Reactive, George Cooke, KMS, GD Chalmers, Allwork, and White & Christie. Our main gas contractor is James Frew (Gassure) alongside a few local specialist contractors.
